

## ENGAGE AGFA

Learn the basics of 3D animation, Live streaming events and Digital Communication Solution in 3D Game Development. Students may have the opportunity to volunteer in community events, such as E-Sport tournaments.

### WHAT WILL YOU LEARN?

01. Develop skills and knowledge in 3D modelling and animation.
02. Plan, run and broadcast live production music events and E-sports events.
03. Create interactive 3D environments with the Unreal Game Engine.

#### Transferable Skills

- How to communicate effectively
- Problem solving independently and in a group
- Planning and organising their time appropriately
- Learning study skills
- Technology skills

#### NASC SUBJECT PATHWAYS

- Stage 1 & 2 Academy of Game, Film and Animation
- Digital photography
- Digital Art
- Visual Art
- Certificate III Information Technology

### ENROL IN NASC ENGAGE

You can attend ENGAGE courses under the following three statuses:

- As a Fee for Service (FFS) student: This means that you remain enrolled in your school; however, your school will purchase the subjects you decide to study.
- FLO 85%: This means that you remain enrolled in your home school; however, you will be provided with an onsite case manager and access to the entire CLC and NASC curriculum.
- NASC student: This means that you transfer from your home school and enrol as a FLO student at Northern Adelaide Senior College. You will be provided with a case manager and access to the entire CLC and NASC curriculum.
