

ENGAGE MATHS

Every day, in every aspect of our lives, we use maths. Engage maths will give you the opportunity to develop and build your numeracy skills using activities based on your interests and hobbies, to prepare you for Stage 1 Essential Mathematics.

WHAT WILL YOU LEARN?

01. Understand and apply a range of maths strategies to solve problems.
02. Develop financial literacy skills to manage your personal finances and live well.
03. Investigate and apply work relevant maths skills to real life situations.

Transferable Skills

- Using mathematical skills, including budgeting and financial management, to solve problems
- Developing creative, innovative and/or practical solutions
- Collecting, analysing and organising information
- Being prepared to invest time and effort in learning new skills

NASC SUBJECT PATHWAYS

- Essential Mathematics
- Fashion and Design
- Essential Maths
- General Mathematics
- Numeracy Passport

ENROL IN NASC ENGAGE

You can attend ENGAGE courses under the following three statuses:

- As a Fee for Service (FFS) student: This means that you remain enrolled in your school; however, your school will purchase the subjects you decide to study.
- FLO 85%: This means that you remain enrolled in your home school; however, you will be provided with an onsite case manager and access to the entire CLC and NASC curriculum.
- NASC student: This means that you transfer from your home school and enrol as a FLO student at Northern Adelaide Senior College. You will be provided with a case manager and access to the entire CLC and NASC curriculum.

| Subjects | Cost |
|---|---------|
| Trial for 5 weeks (if student continues beyond 5 week trial; then \$250 is debited from costings below) | \$250 |
